By George Allan

State University of New York Press, United States, 2013. Paperback. Condition: New. Language: English. Brand new Book. Educators are familiar with Alfred North Whitehead's three stages of education: romance, precision, and generalization. Philosophers are familiar with his metaphysical theories about the primacy of temporal processes. In *Modes of Learning*, George Allan brings these two sides of Whitehead's thought together for the first time in a book suitable for both those initially approaching Whitehead's metaphysics and experts alike. Allan develops a series of analogies between Whitehead's ideas about how we learn and key concepts in his later metaphysical writings, demonstrating that both how we learn and how the world changes involve a tension between open-ended exploration and systematic organization. Novel ideas free us from the blinders imposed by old habits and beliefs. Yet only when these ideas are integrated with the old ways are we able to improve our individual and collective lives--until changing circumstances call for further new ideas and fresh integrations. Using a rich variety of examples, Allan illuminates the metaphysical ideas he explores by tethering them concretely to the educational practices in which they are rooted. This shows a key but neglected feature of Whitehead's thought: his pragmatic...

Reviews

Excellent eBook and useful one. it was actually writtern extremely perfectly and useful. You wont truly feel monotony at at any time of your time (that's what catalogues are for about when you question me).
